In re:) Chapter 11
Lehman Brothers Holdings, Inc., et al.,) Case No. 08-13555 (JMP)
Debtors.) (Jointly Administered)

**SIXTH SUPPLEMENTAL AFFIDAVIT OF MICHAEL EISENBOAD
IN SUPPORT OF APPLICATION FOR AN ORDER FOR
RETENTION OF FTI CONSULTING, INC. AS
FINANCIAL ADVISORS FOR THE OFFICIAL COMMITTEE
OF UNSECURED CREDITORS**

STATE OF NEW YORK)
COUNTY OF NEW YORK)
ss.

I, Michael Eisenband, being duly sworn, hereby depose and say:

1. I am a senior managing director at FTI Consulting, Inc. ("FTI"), which maintains offices at various locations around the country, including Three Times Square, 10th Floor, New York, NY 10036, USA. I submit this affidavit (the "Sixth Supplemental Affidavit") to supplement my prior affidavits that were submitted in connection with FTI's retention in the above mentioned chapter 11 cases of Lehman Brother Holdings and its affiliated debtors (collectively the "Debtors"). Unless otherwise stated in the Sixth Supplemental Affidavit, I have personal knowledge of the facts set forth herein.

2. On October 21, 2008, the Official Committee of Unsecured Creditors (the “Committee”) appointed in the chapter 11 cases filed an Application for Employment of FTI Consulting, Inc. as its Financial Advisors [Docket No. 1167] (the “Application”). In support of the Application, FTI filed an affidavit (the “Original Affidavit”) executed by the undersigned on behalf of FTI in accordance with the applicable sections of title 11 of the United States Code, 11

U.S.C. §§ 101-1532 (as amended, the “Bankruptcy Code”). On November 21, 2008, a Final Order was signed authorizing the Retention and Employment of FTI, effective as of September 17, 2008 [Docket No. 1655]. On January 23, 2009, FTI filed a supplemental affidavit executed by the undersigned on behalf of FTI in accordance with the applicable sections of the Bankruptcy Code [Docket No. 2634] (the “First Supplemental Affidavit”). On April 6, 2009, FTI filed a supplemental affidavit executed by the undersigned on behalf of FTI in accordance with the applicable sections of the Bankruptcy Code [Docket No. 3279] (the “Second Supplemental Affidavit”). On June 19, 2009, FTI filed a supplemental affidavit executed by the undersigned on behalf of FTI in accordance with the applicable sections of the Bankruptcy Code [Docket No. 4047] (the “Third Supplemental Affidavit”). On April 15, 2010, FTI filed a supplemental affidavit executed by the undersigned on behalf of FTI in accordance with the applicable sections of the Bankruptcy Code [Docket No. 8377] (the “Fourth Supplemental Affidavit”). On November 23, 2010, FTI filed a supplemental affidavit executed by the undersigned on behalf of FTI in accordance with the applicable sections of the Bankruptcy Code [Docket No. 12995] (the “Fifth Supplemental Affidavit,” and collectively with the First, Second, Third and Fourth Affidavits, the “Prior Affidavits”).

3. In connection with the preparation of the Original Affidavit, FTI conducted a review of its contacts with the Debtors, their affiliates and certain entities holding large claims against or interests in the Debtors that were made reasonably known to FTI. As noted in the Original Affidavit and the Prior Affidavits, it is FTI’s policy and intent to update its ongoing relationship search during these proceedings. To this end, FTI has conducted an updated review of its contacts with the Debtors, their affiliates and certain entities holding large claims against or interest in the Debtors that were made reasonably known to FTI. We reviewed parties identified in the Prior Affidavits for which no connection existed at that time plus any new parties identified. FTI’s review, completed under my supervision, consisted of a query of the parties

listed in Exhibit A within an internal computer database containing names of individuals and entities that are present or recent former clients of FTI. Exhibit B to the Sixth Supplemental Affidavit sets forth those names and entities included in Exhibit A that FTI has identified as either present or former clients as a result of this process.

4. Subsequent to the filing of the Prior Affidavits, it has come to my attention that FTI has been engaged to provide services unrelated to the Debtors' Chapter 11 cases for various entities with some level of known involvement with the Debtors and/or their affiliates as follows:

a. On December 27, 2010, Compass Lexecon, LLC was retained by Kresbach & Snyder, on behalf of several current and former Lehman Brothers employees: Jeffrey L. Chernick, Peter M. Gambee, William C. Gourd, Neil J. Greenspan, Sanford A. Haber and Mark J. Stevenson to provide economic consulting and expert services related to arbitrations.

At issue are investments by the plaintiffs in auction rate securities sold by Lehman Brothers Inc. This work is on-going.

5. Based on the results of its review, FTI does not have a relationship with any of the parties on Exhibit A in matters related to these proceedings, except as discussed herein or as disclosed in the Prior Affidavits. FTI has provided and could reasonably expect to continue to provide services unrelated to the Debtors' cases for the various entities shown on Exhibit B. FTI's assistance to these parties has been related to providing various financial restructuring, litigation support and/or engineering and scientific investigation consulting services. To the best of my knowledge, no services have been provided to these parties in interest which are adverse to the rights of the Committee, nor does FTI's involvement in these cases compromise its ability to continue such consulting services.

6. Further, as part of its diverse practice, FTI appears in numerous cases, proceedings, and transactions that involve many different professionals, including attorneys,

accountants and financial consultants, who may represent claimants and parties-in-interest in the Debtors' chapter 11 cases. Also, FTI has performed in the past, and may perform in the future, advisory consulting services for various attorneys and law firms, and has been represented by several attorneys and law firms, some of whom may be involved in these proceedings. In addition, FTI has in the past, may currently, and will likely in the future be working with or against other professionals involved in these cases in matters unrelated to the Debtors and these cases. Based on our current knowledge of the professionals involved, and to the best of my knowledge, none of these relationships create interests materially adverse to the Committee in matters upon which FTI is to be employed, and none are in connection with these cases.

7. Insofar as I have been able to ascertain and subject to the disclosures herein and in the Prior Affidavits, FTI does not represent any interests adverse to the Committee and, to the best of my knowledge, remains a "disinterested person" as that term is defined in Section 101(14), as modified by Section 1107(b), of the Bankruptcy Code.

Michael Eisenband
